

NOTIFICATION OF FOREIGN VISIT			DATE
For use of this form; see DA PAM 381-15; the proponent agency is DCSINT			
DATA REQUIRED BY THE PRIVACY ACT			
AUTHORITY:	National Security Act of 1947, Executive Order 12333.		
PRINCIPAL PURPOSE:	Reporting of contacts between US and foreign personnel		
ROUTINE USES:	Information is used to support contingency planning and military operations. Information may be disclosed to US or foreign personnel, including law enforcement, security, investigatory, or administrative authorities. This is to comply with requirements imposed by international agreements and arrangements or to claim rights conferred therein. These rights and requirements include those regulating the stationing and status of DOD personnel in foreign countries where there is a routine reciprocal exchange of information.		
DISCLOSURE:	Disclosure is voluntary; however, failure to provide the requested information could result in denial of authorization to travel.
